

Hull_Correct_Figures_HW_05.md

Random Thoughts

 (for dealing with figures)

The figures

Figure 1.1: Head Gradient with boundary conditions 20 and 10

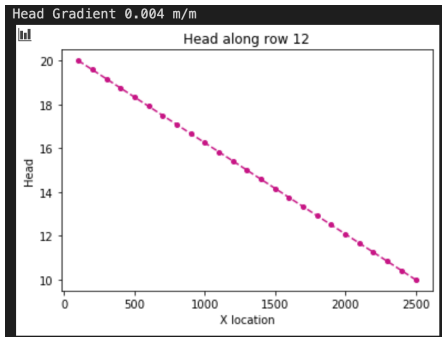

Figure 1.2: Head Gradient with boundary conditions 15 and 5

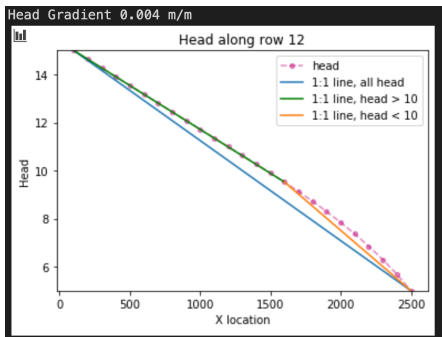

Figure 2.1: Head Gradient with boundary condition 15 and 5, plus recharge

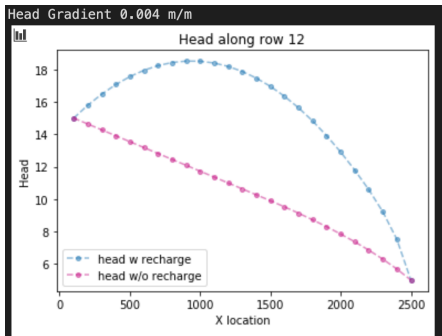

Figure 3.1: Head Contours and Flow Lines with respect to irrigation location at 6:10, 6:10

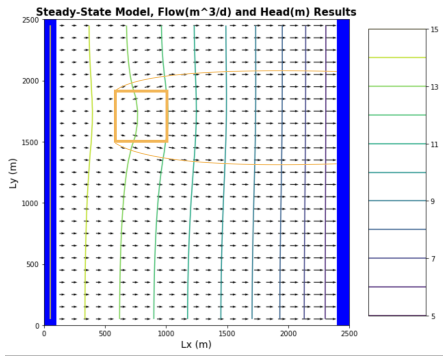

Figure 4.1: Head Contours and Flow LInes with respect to irrigation at location 6:10, 6:10 and pumping well at 5, 10
